## HEARING GOD

### ESTABLISHED – Part 2

**God is still speaking and God wants you hear Him to know His voice.**

QUESTION: So, how do we hear the voice of God? How do we tune in?  
And how do we learn to be guided by Him?

READ: John 10:10 & John 10:27-29

God wants you to know His voice because He \_\_\_\_\_ you. He's speaking clearly. The secret to all of it, in hearing God, is learning how to \_\_\_\_\_ in.

I believe there are 5 main ways that God uses to speak to us today.

1. Through the Bible.
  - a. God's \_\_\_\_\_ is found in His Word. Stop looking for a sign and start looking for a verse. Get into God's word, and God's word will get into you.
2. Through authority.
3. Through Godly \_\_\_\_\_.
  - a. Find humble people who you know are following Jesus. Find people who care more about your future than your feelings. You want people who will tell the truth whether you like it or not.
  - b. Read Proverbs 13:20
4. Through a still, small voice.
5. Through \_\_\_\_\_.

If you want to know the voice of God, you have to spend time with God. And the more we spend time with Him, the more we'll be able to \_\_\_\_\_ when He speaks to us.

Jesus came so that we can have life to the full. Life abundant. To the maximum. If we're going to experience that, we have to learn to recognize his voice.
